Olga

TAROT CARD READINGS • INTUITIVE READINGS • PSYCHOMETRY

Hello, I am Olga. I have been sensitive to subtle energy ever since I was a young child. Now as an adult, I have learned to recognize, understand and also *how to use my abilities*. Numerous classes and a wide variety have groomed and guided me, helping me to further develop my gift. I have been blessed with the skill to do intuitive readings, picture/personal item readings (Psychometry) and receiving messages from departed loved ones, and tarot card reading. These are just a few of the wonderful gifts that God has given me.
